SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve and assign OMB control numbers to collections of information conducted or sponsored by the Board. In exercising this delegated authority, the Board is directed to take every reasonable step to solicit comment. In determining whether to approve a collection of information, the Board will consider all comments received from the public and other agencies.

During the comment period for this proposal, a copy of the proposed PRA OMB submission, including the draft reporting form and instructions, supporting statement (which contains more detail about the information collection and burden estimates than this notice), and other documentation, will be made available on the Board's public website at <https://www.federalreserve.gov/apps/reportingforms/home/review> or may be requested from the agency clearance officer, whose name appears above. On the page displayed at the link above, you can find the supporting information by referencing the collection identifier, FR 3036. Final versions of these documents will be made available at <https://www.reginfo.gov/public/do/PRAMain>, if approved.

Request for Comment on Information Collection Proposal

The Board invites public comment on the following information collection, which is being reviewed under authority delegated by the OMB under the PRA. Comments are invited on the following:

- a. Whether the proposed collection of information is necessary for the proper performance of the Board's functions, including whether the information has practical utility;
- b. The accuracy of the Board's estimate of the burden of the proposed

information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

Proposal Under OMB Delegated Authority To Extend for Three Years, With Revision, the Following Information Collection

Collection title: Central Bank Survey of Foreign Exchange and Derivatives Market Activity.

Collection identifier: FR 3036.

OMB control number: 7100-0285.

General description of collection: The FR 3036 is a component of the U.S. portion of a global data collection that is conducted by central banks once every three years and captures information relating to the volume of foreign exchange (FX) transactions. The Bank for International Settlements (BIS), of which the Board is a member, compiles aggregate national data from each central bank to produce and publish global market statistics. More than 50 central banks plan to conduct this global data collection (the BIS survey) in 2025 (the 2025 Survey). Aggregated data from the FR 3036 is compiled and forwarded to the BIS, which uses the data to produce and publish these statistics.

Proposed revisions: The Board proposes to (1) provide clearer guidance on what is reportable turnover (explicit exclusion of intra-dealer trades), (2) add breakdown by currency totals (USD/EUR/JPY) and instrument (Forwards and Swaps) for 'o/w related party trades' in both Foreign Exchange Contracts and Interest Rate Derivatives in Tables A1, A2, A4, B1 and B2, and (3) add breakdown by currency totals (USD/EUR/JPY) for all instruments for 'o/w back-to-back trades' in both Foreign Exchange Contracts and Interest Rate Derivatives in Tables A1, A2, A4, A5, B1 and B2. Proposed revisions to the FR 3036 also include a more significant addition in the form of a revised Settlement of FX Transactions schedule (Table A7, Settlement of Foreign

Exchange Transactions) to collect information on FX settlement, including a breakdown by counterparty and settlement method. The Board proposes to revise the instructions to be more in alignment with the BIS's revamped 2025 Survey FX settlement guidelines.

Frequency: Triennially.

Respondents: Commercial banks, brokers and dealers, and U.S. offices of foreign banking offices with dealing operations in the U.S.

Total estimated number of respondents: 21.

Estimated average hours per response: Reporting dealers, 66; reporting dealers for FX settlements only, 75.

Total estimated change in burden: 93.

Total estimated annual burden hours: 1,458.

Final Approval Under OMB Delegated Authority of the Extension for Three Years, Without Revision, of the Following Information Collection

Collection title: Basel II Interagency Pillar 2 Supervisory Guidance.

Collection identifier: FR 4199.

OMB control number: 7100–0320.

General description of collection: Advanced approaches banking organizations are required to use an internal ratings-based approach to calculate regulatory credit risk capital requirements and advanced measurement approaches to calculate regulatory operational risk capital requirements. Banking organizations are required to meet certain qualification requirements before they can use the advanced approaches framework for risk-based capital purposes. The Pillar 2 Guidance sets the expectation that such organizations maintain certain documentation as described in paragraphs 37, 41, 43, and 46 of this portion of the guidance.

Frequency: On occasion.

Respondents: State member banks and bank holding companies that use the advanced approaches framework.

Total estimated number of respondents: 15.

Total estimated annual burden hours: 6,300.

Current actions: On July 29, 2024, the Board published a notice in the **Federal Register** (89 FR 60895) requesting public comment for 60 days on the extension, without revision, of the FR 4199. The comment period for this notice expired on September 27, 2024. The Board did not receive any comments.
