Ceramic Tile From the People's Republic of China: Rescission of Countervailing Duty Administrative Review; 2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is rescinding the administrative review of the countervailing duty (CVD) order on ceramic tile from the People's Republic of China (China) covering the period of review (POR) January 1, 2023, through December 31, 2023, because, as explained below, there are no reviewable suspended entries for the one company subject to this review.

DATES: Applicable December 23, 2024.

Harrison Tanchuck, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–7421.

SUPPLEMENTARY INFORMATION:

Background

On June 3, 2024, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the CVD order on ceramic tile from China.¹ Commerce received a timely request for review of the *Order* from a U.S. importer of subject merchandise, Akua BPAC, LLC (Akua), requesting a review of exporter Cayenne Corporation Ltd. (Cayenne).² We received no other requests of review.

On July 29, 2024, Commerce published in the **Federal Register** a notice of initiation of an administrative review with respect to Cayenne, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).³ On August 6, 2024, Commerce released a memorandum indicating that there were no reviewable entries of subject merchandise during the POR based on a U.S. Customs and Border Protection (CBP) entry data query.⁴ Commerce provided parties an opportunity to submit comments on the data query results.⁵ No party submitted comments to Commerce.

On August 7, 2024, Commerce notified all interested parties of its intent to rescind this review in full because there were no suspended

entries of subject merchandise by any company subject to this review during the POR and invited interested parties to comment.⁶ The petitioner⁷ submitted comments on Commerce's notice of intent to rescind this review, agreeing that Commerce should rescind this review.⁸

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where Commerce concludes that there were no reviewable entries of subject merchandise during the POR.⁹ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate for the review period.¹⁰ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated CVD assessment rate for the review period.¹¹ As noted above, CBP data showed that there were no entries of subject merchandise from Cayenne during the POR. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

Cash Deposit Requirements

As Commerce has proceeded to a final rescission of this administrative review, no cash deposit rates will change. Accordingly, the current cash deposit requirements shall remain in effect until further notice.

Assessment Rates

Commerce will instruct CBP to assess countervailing duties on all appropriate entries. Countervailing duties shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of

Steel Concrete Reinforcing Bars From Belarus, the People's Republic of China, Indonesia, Latvia, Moldova, Poland, and Ukraine: Continuation of Antidumping Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the U.S. Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC) that revocation of the antidumping duty (AD) orders steel concrete reinforcing bars (rebar) from Belarus, the People's Republic of China (China), Indonesia, Latvia, Moldova, Poland, and Ukraine would likely lead to the continuation or recurrence of dumping, and material injury to an industry in the United States, Commerce is publishing a notice of continuation of these AD orders.

DATES: Applicable December 13, 2024.

FOR FURTHER INFORMATION CONTACT: Jinny Ahn, AD/CVD Operations, Office VI, Enforcement and Compliance,

International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0339.

SUPPLEMENTARY INFORMATION:

Background

On September 7, 2001, Commerce published in the **Federal Register** the AD orders on rebar from Belarus, China, Indonesia, Latvia, Moldova, Poland, and Ukraine.¹ On November 1, 2023, the ITC instituted,² and Commerce initiated,³ the fourth sunset review of the *Orders*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). As a result of its reviews, Commerce determined that revocation of the *Orders* would likely lead to the continuation or recurrence of dumping, and therefore, notified the ITC of the magnitude of the margins of dumping likely to prevail should the *Orders* be revoked.⁴

On December 13, 2024, the ITC published its determination, pursuant to section 751(c) of the Act, that revocation of the *Orders* would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.⁵

Scope of the Orders

The scope of these *Orders* covers all steel concrete reinforcing bars sold in straight lengths, currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item numbers 7214.20.00, 7228.30.8050, 7222.11.0050, 7222.30.0000, 7228.60.6000, 7228.20.1000, or any other tariff item number. Specifically excluded are plain rounds (*i.e.*, non-deformed or smooth bars) and rebar that
