SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Police Records Check; DD Form 369; OMB Control Number 0704–0007.

Needs and Uses: Title 10, United States Code, Sections 504, 505, and 12102 establish minimal standards for enlistment into the Armed Forces. Among other items, these sections specifically prohibit the enlistment of those convicted of a felony. The Services have therefore developed standards which address the acceptability for Service persons with police records, or adverse juvenile adjudications, or court convictions. The standards are designed to screen out categories of persons who have probability of either having serious disciplinary problems or may not be able to adjust to the disciplinary demands of the Armed Forces. This information collection is needed to identify persons who may be undesirable for military service. The existence of a police record is one of the factors considered in establishing eligibility for enlistment or entry into highly sensitive career fields. Therefore, verification data from the individual and law enforcement agencies must be obtained before enlistment can occur. The form associated with this information collection is DD Form 369, “Police Record Check.” It is used by recruiters to inquire on applicants’

backgrounds prior to acceptance to the Armed Forces, when, in the judgment of the recruiter, an applicant may be withholding information of prior offense history.

SUPPLEMENTARY INFORMATION: This meeting is being held under the provisions of chapter 10 of title 5, United States Code (U.S.C.) (commonly known as the “Federal Advisory Committee Act” or “FACA”); 5 U.S.C. 552b (commonly known as the “Government in the Sunshine Act”); and sections 102–3.140 and 102–3.150 of title 41 Code of Federal Regulations (CFR). Due to circumstances beyond the control of the DFO and the DoD, the DPB was unable to provide public notification required by 41 CFR 102–3.150(a) concerning its January 7, 2025 meeting. Accordingly, the Advisory

Committee Management Officer for the DoD, pursuant to 41 CFR 102–3.150(b), waives the 15-calendar day notification requirement.

Purpose of the Meeting: To obtain, review, and evaluate classified information related to the DPB’s mission to advise on: (a) issues central to strategic DoD planning; (b) policy implications of U.S. force structure and modernization on DoD’s ability to execute U.S. defense strategy; (c) U.S. regional defense policies; and (d) other defense policy topics of special interest to the DoD, as determined by the Secretary of Defense, the Deputy Secretary of Defense, or the Under Secretary of Defense for Policy.

- Representatives from the Strategic Futures Group of the National Intelligence Council will discuss major structural trends and sources of uncertainty in the international system, their potential impacts on the future security environment, and help identify plausible alternative future scenarios against which DoD should plan;

- DPB will discuss key medium-to-long term risks and opportunities facing the DoD, including the most significant trends that are guiding DoD planning;

- Representatives from the Defense Intelligence Agency will discuss major trends in the Indo-Pacific, Europe, and the Middle East, including the interaction of geopolitical dynamics, transboundary challenges, and technological change;

- Dr. Janine Davidson will lead the DPB in drawing on its own expertise and experience to discuss key trends, challenges, and opportunities in the future security environment and to develop recommendations to out brief the Secretary of Defense.

- The DPB will then provide advice and recommendations to Hon. Lloyd Austin, Secretary of Defense.

Meeting Accessibility: In accordance with 5 U.S.C. 1009(d) and 41 CFR 102–

3.155 the DoD has determined that this meeting shall be closed to the public. The Acting Under Secretary of Defense (Policy), in consultation with the DoD FACA Attorney, has determined in writing that this meeting is closed to the public because the discussions fall under the purview of 5 U.S.C. 552b(c)(1) and are so inextricably intertwined with unclassified material that they cannot reasonably be segregated into separate discussions without disclosing classified material.

Written Statements: In accordance with 5 U.S.C. 1009(a)(3) and 41 CFR 102–3.140(c) and 102–3.150(6) the public or interested organizations may submit written statements to the membership of the DPB at any time regarding its mission or in response to the stated agenda of a planned meeting. Written statements should be submitted to the DPB's DFO, who's information is listed above in this notice in the **FOR FURTHER INFORMATION CONTACT** section or can be obtained from the GSA's FACA Database—<http://www.facadatabase.gov/>. Written statements that do not pertain to a scheduled meeting of the DPB may be submitted at any time. However, if individual comments pertain to a specific topic being discussed at a planned meeting, then these statements must be submitted no later than one business day prior to the meeting in question. The DFO will review all submitted written statements and provide copies to all members.

Dated: December 20, 2024.
