Methodology

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found to be countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ In making this final determination, Commerce relied, in part, on facts otherwise available, including with an adverse inference, pursuant to sections 776(a) and (b) of the Act. For a complete description of the methodology underlying all of Commerce's conclusions, see the Issues and Decision Memorandum.

Final Results of the Administrative Review

Commerce determines that the following net countervailable subsidy rates exist for the period January 1, 2022, through December 31, 2022:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)
Jindal Poly Films Limited	* 122.75
Garware Hi-Tech Films Limited	4.96

* Rate is based on facts available with adverse inferences.

Disclosure

Commerce intends to disclose to interested parties the calculations performed in connection with these final results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, we did not make any changes from the preliminary subsidy rates calculated for Garware Hi-Tech Films Limited (Garware); therefore, we will not disclose any calculation documents for Garware for these final results of review.

Assessment

In accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after publication of the final results

of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the companies listed above for shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of these final results of this administrative review. For all non-reviewed firms subject to the *Order*, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific rate or the all-others rate (*i.e.*, 20.40 percent), as appropriate.⁷ These cash deposit requirements, effective upon publication of these final results, shall remain in effect until further notice.

Administrative Protective Order (APO)

This notice also serves as a final reminder to parties subject to an APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Failure to comply with the regulations and terms of an APO is a sanctionable violation.
