Information is also located in additional locations in connection with cloud-based services and as backup for business continuity purposes.

SYSTEM MANAGER(S):

Social Security Administration, Deputy Commissioner for Retirement and Disability Policy, Office of Income Security Programs, 6401 Security Boulevard, Baltimore, MD 21235-6401, (410) 966-5855.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

Sections 205(a) and 205(c)(2) of the Social Security Act, as amended.

PURPOSE(S) OF THE SYSTEM:

We use information in this system to assign SSNs and for a number of administrative and program purposes, including but not limited to: for various Old Age, Survivors, and Disability Insurance, Supplemental Security Income, and Medicare/Medicaid claims purposes; as a case control number; as a secondary beneficiary cross-reference control number for enforcement purposes; for verification of individual identity factors; and for other claims purposes related to establishing benefit entitlement. We use information in this system:

- for the general administration of the Social Security Act to ensure the accuracy of enumeration related information in other SSA systems;
- to prevent the processing of an SSN card application for a person whose application we identified was supported by evidence that either:
 - we suspect may be fraudulent and we are verifying evidence, or
 - we determined to be fraudulent information;
- to record accurate earnings information to the correct individual;
- to prevent issuance of multiple SSNs to a person;
- for resolution of earnings discrepancy cases; and
- for research and statistical activities.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

This system contains a record of each person who has applied for and to whom we have assigned an SSN. This system also contains records of each person who applied for an SSN, but to whom we did not assign one for one of the following reasons: (1) their application was supported by documents that we suspect may be fraudulent and we are verifying the documents with the issuing agency; (2) we have determined the person submitted fraudulent documents; (3) we do not suspect fraud but we need to further verify information the person submitted or we need additional supporting documents; or (4) we have not yet completed processing the application.

CATEGORIES OF RECORDS IN THE SYSTEM:

We collect applications for SSNs. This system contains all of the information we received on the applications for SSNs (e.g., name, date and place of birth, sex identification, both parents' names, reference number, and alien registration number) and all information obtained during the processing of the SSN request. The system also contains:

- changes in the information on the applications the SSN holders submit;
- information from applications supported by evidence we suspect or determine to be fraudulent, along with the mailing addresses of the persons who filed such applications and descriptions of the documentation they submitted;
- cross-references when multiple numbers have been issued to the same person;
- a form code that identifies the Form SS-5 (Application for a Social Security Card Number) as the application the person used for the initial issuance of an SSN, or for changing the identifying information (e.g., a code indicating original issuance of the SSN, or that we assigned the person's SSN through our enumeration at birth program);
- a citizenship code that identifies the number holder's status as a U.S. citizen or the work authorization of a non-citizen;
- a special indicator code that identifies types of questionable data or special circumstances concerning an application for an SSN (e.g., false identity; illegal alien; scrambled earnings);
- an indication that an SSN was assigned based on harassment, abuse, or life endangerment;
- an indication that a person has filed a benefit claim under a particular SSN; and
- other indicators needed to process SSN requests.

RECORD SOURCE CATEGORIES:

We obtain information in this system of records from SSN applicants (or persons acting on their behalf), as well as Federal, State, and local agencies.
