### I. Background

The Occupational Safety and Health Act of 1970 (OSH Act) (29 U.S.C. 651, 656) established NACOSH to advise, consult with and make recommendations to the Acting Secretary of Labor and the Secretary of Health and Human Services (HHS) on matters relating to the administration of the OSH Act. NACOSH is a continuing advisory committee of indefinite duration.

NACOSH operates in accordance with the Federal Advisory Committee Act (FACA) (5 U.S.C. 1001 *et seq.*), implementing regulations (41 CFR part 102-3), the OSH Act, and OSHA's regulations on NACOSH (29 CFR part 1912a).

NACOSH is comprised of 12 members: four public representatives, two management representatives, two labor representatives, two occupational safety professional representatives, and two occupational health professional representatives (29 CFR 1912a.2). The Acting Secretary of Labor appoints all of these members. However, the Secretary of HHS designates four representatives: two of the four public representatives and two occupational health professional representatives. NACOSH members serve staggered two-year terms, unless the member becomes unable to serve, resigns, ceases to be qualified to serve, or is removed by the Acting Secretary.

On July 17, 2024, OSHA published a request for nominations for four NACOSH positions that will expire on January 16, 2025 (89 FR 58193). Specifically, OSHA requested nominations for:

- One (1) public representative;
- One (1) management representative;
- One (1) labor representative; and
- One (1) occupational safety professional representative.

OSHA handled the nominations consistent with the process identified in the **Federal Register** notice. The Acting Secretary of Labor proceeded with the appointment of individuals to four positions on December 17, 2024.

### II. Appointment of Committee Members

OSHA received nominations of highly qualified individuals in response to the agency's request for nominations (89 FR 58193). The Acting Secretary appointed NACOSH members on the basis of their experience and competence in the field of occupational safety and health (29 CFR 1912a.2). The NACOSH members that the Acting Secretary appointed December 17, 2024, effective January 16, 2025, with terms expiring January 16, 2027, are:

**Public Representative**

- John Stephen Frost, University of South Florida OSHA Training Institute Education Center

**SUPPLEMENTARY INFORMATION:**

**I. Notice of the Application for Expansion**

OSHA is providing notice that CSA Group Testing & Certification Inc. (CSA), is applying for expansion of the current recognition as a NRTL. CSA requests the addition of one test standard to the NRTL scope of recognition.

OSHA's recognition of a NRTL signifies that the organization meets the requirements specified in 29 CFR 1910.7. Recognition is an acknowledgment that the organization can perform independent safety testing and certification of the specific products covered within the scope of recognition. Each NRTL's scope of recognition includes: (1) the type of products the NRTL may test, with each type specified by the applicable test standard; and (2) the recognized site(s) that has/have the technical capability to perform the product-testing and product-certification activities for test standards within the NRTL's scope. Recognition is not a delegation or grant of government authority; however, recognition enables employers to use products approved by the NRTL to meet OSHA standards that require product testing and certification.

The agency processes applications by a NRTL for initial recognition and for an expansion or renewal of this recognition, following requirements in Appendix A to 29 CFR 1910.7. This appendix requires that the agency publish two notices in the **Federal Register** in processing an application. In the first notice, OSHA announces the application and provides a preliminary finding. In the second notice, the agency provides a final decision on the application. These notices set forth the NRTL's scope of recognition or modifications of that scope. OSHA maintains an informational web page for each NRTL, including CSA, which details the NRTL's scope of recognition. These pages are available from the OSHA website at <http://www.osha.gov/dts/otpc/nrtl/index.html>.

**II. General Background on the Application**

CSA submitted an application to OSHA for expansion of the NRTL scope of recognition on May 30, 2024 (OSHA-2006-0042-0045), requesting the addition of one standard to the NRTL scope of recognition. OSHA staff performed a detailed analysis of the application packet and reviewed other pertinent information. OSHA did not perform an on-site review in response to this application. OSHA staff has preliminarily determined that OSHA
