

to the unreasonable risk determination for formaldehyde.

Consistent with the statutory requirements of TSCA section 6(a), EPA will propose risk management regulatory actions to the extent necessary so that formaldehyde no longer presents an unreasonable risk under the conditions of use. The Agency expects to focus its risk management action on the TSCA conditions of use that significantly contribute to the unreasonable risk. However, it should be noted that, under TSCA section 6(a), EPA is not limited to regulating the specific activities found to contribute significantly to unreasonable risk and may select from among a suite of risk management approaches based on requirements in TSCA section 6(a) related to manufacture (including import), processing, distribution in commerce, commercial use, and disposal as part of its regulatory options to address the unreasonable risk. As a general example, EPA may regulate upstream activities (e.g., processing, distribution in commerce) to address downstream activities (e.g., consumer uses) contributing significantly to unreasonable risk, even if the upstream activities do not contribute significantly to the unreasonable risk.

IV. References

The following is a listing of the documents that are specifically referenced in this document. The docket includes these documents and other information considered by EPA, including documents that are referenced within the documents that are included in the docket, even if the referenced document is not physically located in the docket. FARM CREDIT ADMINISTRATION

Sunshine Act Meetings

TIME AND DATE: 10 a.m., Wednesday, January 8, 2025.

PLACE: You may observe this meeting in person at 1501 Farm Credit Drive, McLean, Virginia 22102-5090, or virtually. If you would like to observe, at least 24 hours in advance, visit [FCA.gov](https://www.fca.gov), select "Newsroom," then select "Events." From there, access the linked "Instructions for board meeting visitors" and complete the described registration process.

STATUS: This meeting will be open to the public.

MATTERS TO BE CONSIDERED: The following matters will be considered:

- Approval of Minutes for December 12, 2024
- Update on Farm Credit System Funding Conditions

CONTACT PERSON FOR MORE INFORMATION:

If you need more information or assistance for accessibility reasons, or have questions, contact Ashley Waldron, Secretary to the Board. Telephone: 703-883-4009. TTY: 703-883-4056.

Ashley Waldron,

Secretary to the Board.

FEDERAL RESERVE SYSTEM

Change in Bank Control Notices; Acquisitions of Shares of a Bank or Bank Holding Company

The notificants listed below have applied under the Change in Bank Control Act (Act) (12 U.S.C. 1817(j)) and § 225.41 of the Board's Regulation Y (12 CFR 225.41) to acquire shares of a bank

or bank holding company. The factors that are considered in acting on the applications are set forth in paragraph 7 of the Act (12 U.S.C. 1817(j)(7)).

The public portions of the applications listed below, as well as other related filings required by the Board, if any, are available for immediate inspection at the Federal Reserve Bank(s) indicated below and at the offices of the Board of Governors. This information may also be obtained on an expedited basis, upon request, by contacting the appropriate Federal Reserve Bank and from the Board's Freedom of Information Office at <https://www.federalreserve.gov/foia/request.htm>. Interested persons may express their views in writing on the standards enumerated in paragraph 7 of the Act.

Comments received are subject to public disclosure. In general, comments received will be made available without change and will not be modified to remove personal or business information including confidential, contact, or other identifying information. Comments should not include any information such as confidential information that would not be appropriate for public disclosure.

Comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors, Ann E. Misback, Secretary of the Board, 20th Street and Constitution Avenue, NW, Washington DC 20551-0001, not later than January 21, 2025.

A. Federal Reserve Bank of Dallas (Karen Smith, Assistant Vice President, Mergers & Acquisitions and Enforcement) 2200 North Pearl Street, Dallas, Texas 75201-2272. Comments can also be sent electronically to Comments.applications@dal.frb.org:

1. *Stephen J. Lee, as trustee of the Bastrop Bancshares, Inc. Employee Stock Ownership Plan (With 401(k) Provisions) (Amended Effective November 12, 2024), both of Bastrop, Texas;* to retain control of voting shares of Bastrop Bancshares, Inc., Bastrop, Texas, parent of Bastrop Holdings, Inc., Wilmington, Delaware, and thereby indirectly retain control of voting shares of The First National Bank of Bastrop, Bastrop, Texas.

B. Federal Reserve Bank of San Francisco (Joseph Cuenco, Assistant Vice President, Formations & Transactions) 101 Market Street, San Francisco, California 94105-1579. Comments can also be sent electronically to sf.fisc.comments.applications@sf.frb.org:

1. *Charles Diesing, Graham, Alabama*; to acquire additional voting shares of Liberty Northwest Bancorp, Inc., and thereby indirectly acquire additional voting shares of Liberty Bank, both of Poulso, Washington.

Board of Governors of the Federal Reserve System.

Ann Misback,

Secretary of the Board.

BILLING CODE P

GENERAL SERVICES ADMINISTRATION

[Notice—PBS—2024—17; Docket No. 2024—0002; Sequence No. 51]

Notice of Availability of the Final Environmental Impact Statement for the Proposed Modernization of the Bridge of The Americas Land Port of Entry, El Paso, Texas

AGENCY: Office of Public Buildings Service (PBS), General Services Administration (GSA).

ACTION: Notice of availability.

SUMMARY: The GSA, in cooperation with the U.S. Customs and Border Protection, the U.S. International Boundary and Water Commission and in accordance with the National Environmental Policy Act (NEPA) of 1969, announces the availability of the Final Environmental Impact Statement (EIS) for the proposed modernization of the BOTA LPOE in El Paso, Texas and by this notice is announcing the start of a 30-day waiting period.

DATES: The date of the publication by the Environmental Protection Agency (EPA) in the **Federal Register**; Friday January 3, 2025 with the end of the 30-day period being Monday February 3, 2025.

ADDRESSES: The Final EIS is available on the GSA project website at: gsa.gov/bota under Project News.

FOR FURTHER INFORMATION CONTACT: Karla R. Carmichael, NEPA Program Manager, Environmental, Fire and Safety & Health Branch, GSA/PBS, Facilities Management and Services Programs Division, Greater Southwest Region 7, 819 Taylor St, Fort Worth, TX, 76102 or via telephone at 817-822-1372. Email: bota.nepacomments@gsa.gov.

SUPPLEMENTARY INFORMATION:

Background

On November 6, 2021, Congress passed the Bipartisan Infrastructure Law (BIL), also known as the Infrastructure

Investment and Jobs Act (IIJA). On November 15, 2021, the President signed Executive Order (E.O.) 14052 “Implementation of the Infrastructure Investment and Jobs Act.” On December 13, 2021, the President signed E.O. 14508 “Transforming Federal Customer Experience and Service Delivery to Rebuild Trust in Government.” On February 25, 2022, President Biden and the GSA announced the list of major LPOE projects funded by the BIL. This included the Bridge of the Americas (BOTA) LPOE in El Paso, Texas.

The Environmental Impact Statement (EIS) has been prepared in accordance with section 102 of the National Environmental Policy Act (NEPA) of 1969 (42 United States Code [U.S.C.] 4321 to 4370d), as implemented by the regulations promulgated by the Council on Environmental Quality (CEQ) (40 Code of Federal Regulations [CFR] 1500–1508). The principal objectives of NEPA are to ensure the careful consideration of environmental aspects of proposed actions in federal decision-making processes and to make environmental information available to decision makers and the public before decisions are made and actions are taken.

Additionally, this EIS has been prepared in accordance with GSA NEPA guidelines (GSA Order ADM 1095.1F and the Public Buildings Service [PBS] NEPA Desk Guide, both dated October 1999) and serves as a mechanism for compliance with the National Historic Preservation Act (NHPA) of 1966 (as amended) and other relevant laws and/or regulations.

Purpose and Need for Action

The purpose of the proposed action is for the GSA to support the U.S. Customs and Border Protection (CBP) mission by bringing the BOTA LPOE infrastructure in line with current CBP land port design standards (*i.e.*, CBP Land Port of Entry Design Standard) and operational requirements while addressing existing deficiencies identified with the ongoing port operations. In order to bring the BOTA LPOE in line with CBP’s design standards and operational requirements, action is needed to satisfy the following overriding needs:

- Improve the capacity and functionality of the LPOE to meet future public demand, while maintaining the capability to meet border security initiatives.
- Ensure the safety and security for the employees and the travelling public.

Proposed Action and Alternatives Development

As part of project planning, the GSA developed two (2) action alternatives as potential means of implementing the proposed action. The no action alternative has also been considered in the EIS. Both action alternatives include the phased razing of all existing buildings/structures and infrastructure within the existing LPOE boundaries and construction of new buildings/structures and supporting infrastructure. Both action alternatives also include minimal land acquisition in areas immediately adjacent to the port.

Summary of Potential Impacts

The EIS has identified, describes, and analyzes the potential effects of the action alternatives developed to implement the proposed action and the no action alternative. This includes direct, indirect, and cumulative effects. GSA identified the following resources/issues for analysis of both beneficial and adverse potential impacts and the results are summarized in the Final EIS:

- Hazardous Materials, Waste, and/or Site Contamination
- Socioeconomics (including Environmental Justice)
- Public Services, Infrastructure, and Utilities
- Surface Waters, Drainage, and Floodplains
- Land Use and Zoning (including Visual and Aesthetics)
- Traffic (Vehicular and Pedestrian), Transportation, and Parking
- Air Quality (including Greenhouse Gas Emissions)
- Noise and Vibration
- Cultural and Historic Resources

The EIS documents measures that could potentially avoid, minimize, or mitigate any identified adverse impacts.

Michael Clardy,

Director, Facilities Management Division (7PM), General Services Administration—Public Building Service, Greater Southwest Region.
