These surveys aid the Exchange’s marketing directorate to address the effectiveness of providing goods and services and the quality of the Exchange mobile app and online shopping functionality, design, and use to meet with the patron’s wants and desires. Respondents are authorized customers of the Army and Air Force Exchange Service, who voluntarily provide opinions or comments regarding their recent shopping experience at an Exchange facility or use of the Exchange on-line or mobile app. The survey provides valuable data used to enhance the customer’s experience.
