We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper functions of the Department.
- Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.

- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

#### Abstract of Proposed Collection

The information solicited on this form will be used to conduct background investigations, reinvestigations, and continuous vetting of persons for eligibility for logical access, physical access, credentialing, and fitness to perform work overseas for or on behalf of the U.S. Government as Locally Employed (LE) Staff and locally-hired third party contractors employed overseas at a U.S. Mission. For applicants, this form is to be used only after a conditional offer of employment has been made. This form is not to be used for national security positions.

#### Methodology

The collection of information will be presented to respondents as an electronically fillable form as well as through a static web page that will produce an electronic form.
