days.<sup>2</sup> On November 20, 2024, Commerce postponed the preliminary determination of this investigation until January 23, 2025.<sup>3</sup>

For a complete description of the events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.<sup>4</sup> A list of topics discussed in the Preliminary Decision Memorandum is included as appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

#### Scope of the Investigation

The products covered by this investigation are certain brake drums from Türkiye. For a complete description of the scope of this investigation, see appendix I.

#### Scope Comments

In accordance with the *Preamble* to Commerce's regulations,<sup>5</sup> in the *Initiation Notice*, Commerce set aside a period of time for parties to raise issues regarding product coverage (*i.e.*, scope).<sup>6</sup> Certain interested parties commented on the scope of the investigation as it appeared in the *Initiation Notice*. Scope Decision Memorandum.<sup>7</sup> As discussed in the Preliminary Scope Decision Memorandum, Commerce preliminarily modified the scope language as it appeared in the *Initiation Notice*. In the Preliminary Scope Decision Memorandum, Commerce established the deadline for parties to submit scope case and rebuttal briefs.

#### Methodology

Commerce is conducting this investigation in accordance with section 731 of the Act. Commerce has calculated export prices in accordance with section 772(a) of the Act. Normal value is calculated in accordance with section 773 of the Act. Furthermore, pursuant to section 776(a) and (b) of the Act, Commerce has preliminarily relied upon facts otherwise available, with adverse inferences, to assign an estimated weighted-average dumping margin to Akkus Dokum San. Ve Tic. Ltd. Sti, Buyuk Eker Bijon Sanayi Ve Ticaret, and Genk Otomotiv San. Dis Tic. Ltd. Sti.<sup>8</sup> For a full description of the methodology underlying the preliminary determination, see the Preliminary Decision Memorandum.

#### All-Others Rate

Sections 733(d)(1)(A)(ii) and 735(c)(5)(A) of the Act provide that, in the preliminary determination, Commerce shall determine an estimated all-others rate for all exporters and producers not individually examined. This rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero and *de minimis* margins, and any margins determined entirely under section 776 of the Act.

In this investigation, Commerce calculated an individual estimated weighted-average dumping margin for Eku Fren ve Dok. San. A.S. (Eku Fren), the only individually-examined exporter/producer in this investigation. Because the only individually calculated dumping margin is not zero, *de minimis*, or based entirely on facts

<sup>7</sup> See Memorandum, "Antidumping Duty Investigations and Countervailing Duty Investigations of Certain Brake Drums from the People's Republic of China and the Republic of Türkiye: Preliminary Scope Decision Memorandum," dated concurrently with this notice (Preliminary Scope Decision Memorandum).

<sup>8</sup> See Preliminary Decision Memorandum.

otherwise available, the estimated weighted-average dumping margin calculated for Eku Fren is the margin assigned to all other producers and exporters, pursuant to section 735(c)(5)(A) of the Act.

### Preliminary Determination

Commerce preliminarily determines that the following estimated weighted-average dumping margins exist:

Producer/exporter	Weighted-average dumping margin (percent)
Eku Fren ve Dok. San. A.S .....	12.73
Akkus Dokum San. Ve Tic. Ltd. Sti .....	* 149.29
Buyuk Eker Bijon Sanayi Ve Ticaret .....	* 149.29
Genk Otomotiv San. Dis Tic. Ltd. Sti .....	* 149.29
All Others .....	12.73

\* Rate is based on facts available with adverse inferences.

### Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register** in accordance with 19 CFR 351.224(b).

Consistent with 19 CFR 351.224(e), Commerce will analyze and, if appropriate, correct any timely allegations of significant ministerial errors by amending the preliminary determination. However, consistent with 19 CFR 351.224(d), Commerce will not consider incomplete allegations that do not address the significance standard under 19 CFR 351.224(g) following the preliminary determination. Instead, Commerce will address such allegations in the final determination together with issues raised in the case briefs or other written comments.

### Suspension of Liquidation

In accordance with section 733(d)(2) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of subject merchandise, as described in appendix I, entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. Further, pursuant to section 733(d)(1)(B) of the Act and 19 CFR 351.205(d), Commerce will instruct CBP to require a cash deposit equal to the estimated weighted-average dumping margin or the estimated all-others rate, as follows: (1) the cash

deposit rate for the respondents listed above will be equal to the company-specific estimated weighted-average dumping margin determined in this preliminary determination; (2) if the exporter is not a respondent identified above, but the producer is, then the cash deposit rate will be equal to the company-specific estimated weighted-average dumping margin established for that producer of the subject merchandise; and (3) the cash deposit rate for all other producers and exporters will be equal to the all-others estimated weighted-average dumping margin. These suspension of liquidation instructions will remain in effect until further notice.

Commerce normally adjusts cash deposits for estimated antidumping duties by the amount of export subsidies countervailed in a companion countervailing duty (CVD) proceeding, when CVD provisional measures are in effect. However, as discussed in the Preliminary Decision Memorandum, Commerce has not offset the estimated weighted-average dumping margin by the appropriate CVD rate.

### Verification

As provided in section 782(i)(1) of the Act, Commerce intends to verify the information relied upon in making its final determination.

### Public Comment

Case briefs or other written non-scope related comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the final verification report is issued in this investigation.<sup>9</sup> Rebuttal briefs, limited to issues raised in case briefs, may be filed not later than five days after the date for filing case briefs.<sup>10</sup> Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>11</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their briefs that should be limited to five pages total, including footnotes. In this investigation, we instead request that interested parties provide at the

<sup>9</sup> Case briefs and rebuttal briefs submitted in response to this preliminary LTFV determination should not include scope-related issues.

<sup>10</sup> See 19 CFR 351.309(d); see also *Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings*, 88 FR 67069, 67077 (September 29, 2023) (*APO and Service Final Rule*).

beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>12</sup> Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>13</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

### Postponement of Final Determination and Extension of Provisional Measures

Section 735(a)(2) of the Act provides that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise, or in the event of a negative preliminary determination, a request for such postponement is made by the petitioner. Pursuant to 19 CFR 351.210(e)(2), Commerce requires that requests by respondents for postponement of a final antidumping duty determination be accompanied by a request for extension of provisional measures from a four-month period to a period not more than six months in duration.

<sup>12</sup> We use the term "issue" here to describe an argument that Commerce would normally address in a comment of the Issues and Decision Memorandum.

<sup>13</sup> See *APO and Service Final Rule*.

On January 8, 2025, EKU Fren requested that Commerce postpone the final determination in the event of an affirmative preliminary determination and that provisional measures be extended to a period not to exceed 135 days.<sup>14</sup> On January 10, 2025, Webb Wheel Products, Inc. (the petitioner) requested that Commerce postpone the final determination in the event of a negative preliminary determination.<sup>15</sup> In accordance with section 735(a)(2)(A) of the Act, and 19 CFR 351.210(b)(2)(ii), because: (1) the preliminary determination is affirmative; (2) the requesting exporter accounts for a significant proportion of exports of the subject merchandise; and (3) no compelling reasons for denial exist, Commerce is postponing the final determination and extending the provisional measures from a four-month period to a period not greater than six months. Accordingly, Commerce's final determination will be issued no later than 135 days after the date of publication of this preliminary determination in the **Federal Register**, pursuant to section 735(a)(2) of the Act.

#### U.S. International Trade Commission Notification

In accordance with section 733(f) of the Act, Commerce will notify the U.S. International Trade Commission (ITC) of its preliminary determination. If the final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after the final determination whether these imports are materially injuring, or threaten material injury to, the U.S. industry.

#### Notification to Interested Parties

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act, and 19 CFR 351.205(c).

Dated: January 23, 2025.

**Abdelali Elouaradia,**

*Acting Assistant Secretary for Enforcement and Compliance.*

Unfinished brake drums are those which have undergone some turning or machining but are not ready for installation. Subject brake drums are included within the scope whether imported individually or with non-subject merchandise (for example, a hub), whether assembled or unassembled, or if joined with non-subject merchandise. When a subject drum is imported together with non-subject merchandise, such as, but not limited to, a drum-hub assembly, only the subject drum is covered by the scope.

Subject merchandise also includes finished and unfinished brake drums that are further processed in a third country or in the United States, including, but not limited to, assembly or any other processing that would not otherwise remove the merchandise from the scope of this investigation if performed in the country of manufacture of the subject brake drums. The inclusion, attachment, joining, or assembly of non-subject merchandise with subject drums either in the country of manufacture of the subject drum or in a third country does not remove the subject drum from the scope. Specifically excluded is merchandise covered by the scope of the antidumping and countervailing duty orders on certain chassis and subassemblies thereof from the People's Republic of China. See *Certain Chassis and Subassemblies Thereof from the People's Republic of China: Antidumping Duty Order*, 86 FR 36093 (July 8, 2021) and *Certain Chassis and Subassemblies Thereof from the People's Republic of China: Countervailing Duty Order and Amended Final Affirmative Countervailing Duty Determination*, 86 FR 24844 (May 10, 2021).

The scope also excludes composite brake drums that contain more than 38 percent steel by weight.

The merchandise covered by this investigation is classifiable under Harmonized Tariff Schedule of the United States (HTSUS) subheading 8708.30.5020. The merchandise covered by this investigation may be classifiable under HTSUS subheading 8708.30.5090 when entered as part of an assembly. Subject merchandise may also enter under HTSUS subheading 8716.90.5060. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise covered by this investigation is dispositive.
