

The circumstances that created the need for some SIAP and Takeoff Minimums and ODP amendments may require making them effective in less than 30 days. For the remaining SIAPs and Takeoff Minimums and ODPs, an effective date at least 30 days after publication is provided.

Further, the SIAPs and Takeoff Minimums and ODPs contained in this amendment are based on the criteria contained in the U.S. Standard for Terminal Instrument Procedures (TERPS). In developing these SIAPs and Takeoff Minimums and ODPs, the TERPS criteria were applied to the conditions existing or anticipated at the affected airports. Because of the close and immediate relationship between these SIAPs, Takeoff Minimums and ODPs, and safety in air commerce, I find that notice and public procedure under 5 U.S.C. 553(b) are impracticable and contrary to the public interest and, where applicable, under 5 U.S.C. 553(d), good cause exists for making some SIAPs effective in less than 30 days.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore—(1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. For the same reason, the FAA certifies that this amendment will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

HOME Investment Partnerships Program: Program Updates and Streamlining—Delay of Effective Date

AGENCY: Office of the Secretary, U.S. Department of Housing and Urban Development (HUD).

ACTION: Final rule; delay of effective date.

SUMMARY: On January 6, 2025, HUD published the “HOME Investment Partnerships Program: Program Updates and Streamlining” final rule (HOME Final Rule) in the **Federal Register**. The HOME Final Rule provides for the rule to take effect on February 5, 2025. Consistent with the President’s January 20, 2025, memorandum titled “Regulatory Freeze Pending Review”, this notice announces that HUD is delaying the effective date for the HOME Final Rule until April 20, 2025.

DATES: The effective date for the HOME Final Rule, published at 90 FR 746 (January 6, 2025), is delayed from February 5, 2025, until April 20, 2025.

SUPPLEMENTARY INFORMATION:

I. Background

On January 6, 2025 (90 FR 746), HUD published the HOME Final Rule in the **Federal Register**. The HOME Final Rule revises the HOME Investment Partnerships Program (HOME program) regulations to update, simplify, or streamline requirements, better align the program with other Federal housing programs, and implement recent amendments to the HOME program statute.¹ The HOME Final Rule also includes minor revisions to the regulations for the Community Development Block Grant and Section 8 Housing Choice Voucher Programs consistent with the implementation of the changes to the HOME program. The January 6, 2025, HOME Final Rule provides for the rule to take effect on February 5, 2025.

On January 20, 2025, the President issued a memorandum titled “Regulatory Freeze Pending Review” to executive departments and agencies.² The memorandum, among other things, asks executive departments and agencies to consider postponing for 60 days from the date of the memorandum the effective date of rules that have been published in the **Federal Register** but that have not yet taken effect. This postponement of the effective date of rules that have not yet taken effect is to allow executive departments and agencies time to review any questions of fact, law, and policy that the rules may raise.

II. Delayed Effective Date of HOME Final Rule

HUD is delaying the effective date of the HOME Final Rule by 90 days from January 20, 2025. With this delay, the effective date for the HOME Final Rule is now April 20, 2025.

This delay will provide HUD time to review the HOME Final Rule for any

questions of fact, law, and policy that the HOME Final Rule may raise, as directed by the memorandum.

Accordingly, the HOME Final Rule published on January 6, 2025, at 90 FR 746 will take effect on April 20, 2025.

Acting Secretary.
