

CPSC estimates 13,523 annual burden hours on these respondents: 13,275 hours for face-to-face interviews and

248 hours for in-depth telephone or internet interviews.

Total Estimated Annual Burden: Table 1 summarizes the burden of the

collection. The total estimated annualized burden to respondents is 128,523 hours (115,248 for NEISS respondents and 13,523 for individuals).

TABLE 1—AVERAGE ANNUAL BURDEN

	Respondents	Frequency	Responses	Burden per response (minutes)	Total burden (hours)
NEISS	160	7,188	1,150,000	6.0	115,000
Other Respondents	2,950	1	2,950	275.0	13,523
Total	3,110	371	1,152,950	6.7	128,523

Total Estimated Annual Cost to Respondents: The total costs to NEISS respondents are estimated at approximately \$6.9 million. NEISS respondents enter into contracts with CPSC and are compensated for these costs. The average cost per respondent is estimated to be about \$43,000. The average cost per burden hour is estimated to be \$60 per hour (including wages and overhead). However, the actual cost to each respondent varies, due to the type of respondent (hospital versus CPSC contractor), size of hospital, and regional differences in wages and overhead. Therefore, the actual annual cost for any given respondent may vary between \$3,000 at a small rural hospital, and \$550,000 at the largest metropolitan hospital.

CPSC estimates the value of the time required for reporting by other respondents to be \$46.84 an hour, the average cost for employee compensation for civilian workers (U.S. Bureau of Labor Statistics, “Employer Costs for Employee Compensation,” September 2024: https://www.bls.gov/news.release/archives/ecec_12172024.pdf). At this valuation, the estimated annual cost to the public is about \$633,417 (13,523 burden hours × \$46.84 per hour = \$633,417.32).

Request for Comments

The Commission solicits written comments from all interested persons about the proposed collection of information. The Commission specifically solicits information relevant to the following topics:

- whether the collection of information described above is necessary for the proper performance of the Commission’s functions, including whether the information would have practical utility;
- whether the estimated burden of the proposed collection of information is accurate;
- whether the quality, utility, and clarity of the information to be collected could be enhanced; and

- whether the burden imposed by the collection of information could be minimized by use of automated, electronic or other technological collection techniques, or other forms of information technology.

Alberta E. Mills,
Secretary, Consumer Product Safety Commission.

BILLING CODE 6355–01–P

CONSUMER PRODUCT SAFETY COMMISSION

[Docket No. CPSC–2012–0024]

Agency Information Collection Activities; Extension of Approval of Information Collection; Notification Requirements for Coal and Wood Burning Appliances

AGENCY: Consumer Product Safety Commission.

ACTION: Notice of information collection; request for comment.

SUMMARY: As required by the Paperwork Reduction Act of 1995, the Consumer Product Safety Commission (CPSC or Commission) announces that the Commission has submitted to the Office of Management and Budget (OMB) a request for extension of approval of information collection regarding notification requirements for coal and wood burning appliances. OMB previously approved the collection of information under Control Number 3041–0040. OMB’s most recent extension of approval will expire on March 31, 2025. On December 3, 2024, CPSC published a notice in the **Federal Register** to announce the agency’s intention to seek extension of approval of the collection of information. The Commission did not receive any public comments. Therefore, by publication of this notice, the Commission announces that CPSC has submitted to the OMB a

request for extension of approval of that collection of information.

DATES: Submit comments on the collection of information by March 31, 2025.

ADDRESSES: Submit comments about this request by email: OIRA_submission@omb.eop.gov or fax: 202–395–6881. Comments by mail should be sent to the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for the CPSC, Office of Management and Budget, Room 10235, 725 17th Street NW, Washington, DC 20503. Written comments that are sent to OMB also should be submitted electronically at <http://www.regulations.gov>, under Docket No. CPSC–2012–0024.

FOR FURTHER INFORMATION CONTACT: Cynthia Gillham, Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814; (301) 504–7791, or by email to: pra@cpsc.gov.

SUPPLEMENTARY INFORMATION: CPSC seeks to renew the following currently approved collection of information:

Title: Notification Requirements for Coal and Wood Burning Appliances.

OMB Number: 3041–0040.

Type of Review: Renewal of collection.

Frequency of Response: On occasion.

Affected Public: Manufacturers and importers of coal and wood burning appliances.

Estimated Number of Respondents: We estimate five responses annually.

Estimated Time per Response: We estimate three hours per submission and 30 minutes for collecting and mailing the information to the CPSC.

Total Estimated Annual Burden: The total estimated annual burden is 17.5 hours (5 submissions × 3.5 hours).

Total Estimated Annual Cost to Respondents: The total estimated annualized respondent cost is approximately \$795, based on an average total hourly employee compensation rate of \$45.41 for private industry workers in goods producing

industries (17.5 hours × \$45.41 = \$794.68) (U.S. Bureau of Labor Statistics, Employer Costs for Employee Compensation, Table 4, June 2024, https://www.bls.gov/news.release/archives/ecec_09102024.pdf).

General Description of Collection: In 16 CFR part 1406, Coal and Wood Burning Appliances—Notification of Performance and Technical Data, issued under Section 27(e) of the Consumer Product Safety Act, 15 U.S.C. 2076(e), CPSC requires that certain performance and technical data be supplied on labeling attached to or accompanying each model of coal and wood burning stoves, freestanding fireplaces, similar appliances, and in instruction manuals provided with the appliances so consumers will be aware of important safety information concerning the installation, operation, and maintenance of these appliances. In addition, catalogs and other point-of-sale literature are required to contain appropriate clearances and other information. The rule also contains a requirement that manufacturers provide to the Commission copies of the notice (label) and the directions (instruction manual). Manufacturers must also provide the Commission with a statement of the reasons supporting the manufacturer’s conclusion that clearance distances stated in the notice to consumers are appropriate for preventing fires, for each stove model manufactured. This information must also be supplied when there is any change in the required data or when a new model is introduced.

All known manufacturers are believed to have already complied with the requirements for providing information in labels, manuals, catalogs, and point-of-sale literature and the requirements for submitting all labels and owner’s manuals. For the known manufacturers, there should be no additional burden associated with the requirements of 16 CFR part 1406, except when existing models are changed, or new models are introduced. We anticipate that there will be no more than five submissions annually as a result of new stove models coming into the market or new firms entering the market.

DEPARTMENT OF DEFENSE

Department of the Army, Corps of Engineers

[COE–2024–0004]

Thomas R. Carper Water Resources Development Act of 2024 Comment Period and Stakeholder Sessions

AGENCY: U.S. Army Corps of Engineers, Department of the Army, DoD.

ACTION: Request for comments; announcement of stakeholder sessions.

SUMMARY: The Office of the Assistant Secretary of the Army for Civil Works (OASA(CW)) is seeking public comment on any provisions in the Thomas R. Carper Water Resources Development Act (WRDA) of 2024. The OASA(CW) will consider all comments received during the 60-day public comment period in the development and issuance of guidance to implement WRDA 2024.

DATES: The public comment period will end on April 28, 2025. To ensure your comment is considered during the development of guidance, comments should be received on or before that date. In addition, three stakeholder sessions will be held to allow the public to provide input on any provisions in WRDA 2024 at the following dates/times: March 12, 2025 from 2:00 p.m. to 4:00 p.m. Eastern; March 26, 2025 from 2:00 p.m. to 4:00 p.m. Eastern; April 9, 2025 from 2:00 to 4:00 p.m. Eastern. An additional stakeholder session will be held on April 2, 2025 from 2:00 to 4:00 p.m. Eastern which will focus on topics related to Tribal nations and will be open to the general public. Please refer to the Supplementary Information section for additional information on the stakeholder sessions.

ADDRESSES: You may submit written comments, identified by Docket ID No. COE–2024–0004, by any of the following methods:
Federal eRulemaking Portal: <http://www.regulations.gov/>. Follow the online instructions for submitting comments.
Email: WRDA2024@usace.army.mil. Include Docket ID No. COE–2024–0004 in the subject line of the message.
Mail: U.S. Army Corps of Engineers, ATTN: Ms. Amy Frantz, CEW–P, U.S. Army Corps of Engineers, 3F91, 441 G St. NW, Washington, DC 20314.
Hand Delivery/Courier: Due to security requirements, we cannot receive comments by hand delivery or courier. Comments received may be posted without change to <https://www.regulations.gov/>, including any personal information provided.

FOR FURTHER INFORMATION CONTACT: All requests for further information on the

notice and the stakeholder sessions may be directed to Ms. Lauren Leuck, OASA(CW), at 703–839–0383 or lauren.d.leuck.civ@army.mil.

SUPPLEMENTARY INFORMATION: This comment period regarding WRDA 2024 (Pub. L. 118–272) is being conducted in accordance with Section 1105 of the Water Resources Development Act of 2018 (Pub. L. 115–270). A copy of WRDA 2024 can be found at: <https://www.usace.army.mil/Missions/Civil-Works/Water-Resources-Development-Act/>. The OASA(CW) and the Corps will hold focused stakeholder sessions using webinars/teleconferences by means of the web link <https://usace1.webex.com/meet/WRDA2024> and teleconference information at 1–844–800–2712 Code 1992 62 9020. See dates and times in the **DATES** section. Commenters can provide information on any provision of interest during each session. Final written guidance will be available to the public on the publicly accessible website <https://www.usace.army.mil/Missions/Civil-Works/Water-Resources-Development-Act/>.

Robyn S. Colosimo,
Deputy Assistant Secretary of the Army for Project Planning and Review, performing the duties of the Assistant Secretary of the Army (Civil Works).
