Natural Resources Conservation Service

Title: Long Term Contracting.

OMB Control Number: 0578–0013.

Summary of Collection: The Long Term Contracting regulations at 7 CFR part 630, and the Conservation program regulations at 7 CFR 624, 625, 701 set forth the basic policies, program provisions, and eligibility requirements for owners and operators to enter into and carry out long-term conservation program contracts with technical assistance under the various program. These programs are administered by the Natural Resources Conservation Service (NRCS). These programs authorize federal technical and financial long-term cost sharing assistance for conservation treatment with eligible land users and entities. Under the terms of the agreement, the participant agrees to apply, or arrange to apply, the conservation treatment specified in the conservation plan. In return for this agreement, Federal financial assistance payments are made to the land user, or third party, upon successful application of the conservation treatment.

Need and Use of the Information: NRCS will collect information using several NRCS forms. The forms are needed to administer NRCS long-term contracting programs as authorized. NRCS uses the information to ensure the proper utilization of program funds.

Description of Respondents: Individuals or households; Farms; Not-for-profit institutions; State, Local or Tribal Government.

Number of Respondents: 5,390.

Frequency of Responses: Reporting; Annually, Other (As required).

Total Burden Hours: 3,059.

DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding: Whether the collection of information is necessary for the proper performance of the functions of the agency, including

whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by March 31, 2025 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

National Institute of Food and Agriculture

Title: Organizational Information.

OMB Control Number: 0524–0026.

Summary of Collection: The National Institute of Food and Agriculture (NIFA) has primary responsibility for providing linkages between the Federal and State components of a broad-based, national agricultural research, extension, and higher education system. Focused on national issues, its purpose is to represent the Secretary of Agriculture and the intent of Congress by administering formula and grant funds appropriated for agricultural research, extension, and higher education. Before awards can be made, certain information is required from applicant to effectively assess the potential recipient's capacity to manage Federal funds. NIFA will collect information using form NIFA 666, “Organizational Information.”

Need and Use of the Information: The following information will be collected from the form and the documents from the applicant: Legal name of the grantee, certification that the organization has the legal authority to accept Federal

funding, identification and signatures of the key officials of the organization, the organization's practices in regard to compensation rates and benefits of employees, insurance for equipment, subcontracting with other organizations, etc., as well as the financial condition of the organization. NIFA will collect information to determine that applicants recommended for awards will be responsible recipients of Federal funds. The information pertains to organizational management and financial matters of the potential grantee. If the information were not collected, it would not be possible to determine that the prospective grantees are responsible.

Description of Respondents: Not-for-profit institutions; Business or other for-profit; Individuals or households; State, Local, or Tribal Government; Federal Government.

Number of Respondents: 200.

Frequency of Responses: Reporting; On occasion.

Total Burden Hours: 1,260.

Foreign-Trade Zones Board

[B–10–2025]

Foreign-Trade Zone (FTZ) 40, Notification of Proposed Production Activity; Eagle Electronics; (Cellular Modules); Solon, Ohio

The Cleveland Cuyahoga County Port Authority, grantee of FTZ 40, submitted a notification of proposed production activity to the FTZ Board (the Board) on behalf of Eagle Electronics, in conjunction with the CO–AX Technology Inc. (CO–AX) facility in Solon, Ohio within FTZ 40. The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on February 21, 2025.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status materials/components and specific finished product described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's
