

Inc.'s Response to Complainant's Petition of Review of Initial Determination on Violation of Section 337" and "Complainant's Response to Respondent's Contingent Petition for Review of Initial Determination on Violation of Section 337," respectively. On the same day, OUII filed "Response of the Office of Unfair Import Investigations to the Private Parties' Petitions for Review of the Initial Determination On Violation of Section 337."

Having examined the record in this investigation, including the final ID, the petitions for review, and the responses thereto, the Commission has determined to review in part the ID and, on review, to affirm the final ID with the following modifications. Specifically, the Commission has determined to review the ID's non-infringement findings with respect to the '864 patent for the limited purpose of supplementing the ID's citation on the fifth line from the top on page 39 of the ID, which shall read as follows: "NJOY Br. at 22–23; *see also* CX–2221C.0023–24 (describing the JUULpod as including the mouthpiece); Dahm Tr. at 995:19–1004:22 (describing the mouthpiece as part of the housing that contains all the device internals)." The Commission has also determined to review the ID's findings regarding the economic prong of the domestic industry requirement with respect to the '864 and '881 patents and, on review, to take no position on these findings. *See Beloit Corp. v. Valmet Oy*, 742 F.2d 1421, 1424 (Fed. Cir. 1984).

The Commission has determined not to review the remainder of the ID, including the ID's finding of no violation of section 337.

The investigation is hereby terminated.

The Commission vote for this determination took place on March 3, 2025.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

SUMMARY: The Commission hereby gives notice of the scheduling of an expedited review pursuant to the Tariff Act of 1930 ("the Act") to determine whether revocation of the antidumping duty order on malleable iron pipe fittings from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: February 4, 2025.

The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On February 4, 2025, the Commission determined that the domestic interested party group response to its notice of institution (89 FR 87419, November 1, 2024) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).²

For further information concerning the conduct of this review and rules of

general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the review has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for this review on April 30, 2025. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,³ and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before 5:15 p.m. on May 8, 2025, and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by May 8, 2025. However, should the Department of Commerce ("Commerce") extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

² Commissioner David S. Johanson voted to conduct a full review.

³ The Commission has found the responses submitted on behalf of ASC Engineered Solutions, LLC and Ward Manufacturing, LLC to be individually adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

Determination.—The Commission has determined this review is extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: This review is being conducted under authority of title VII of the Act; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: March 3, 2025.

Secretary to the Commission.
