**SUPPLEMENTARY INFORMATION:** The Forest Service published a notice of intent prepare an environmental impact statement (NOI) in the **Federal Register** on May 21, 2014, 88 FR 29158.

Since that publication, there have been two significant changes in circumstance for the greater sage-grouse:

- In 2020 Oil and Gas Supplemental Environmental Impact Statement ([https://www.fs.usda.gov/internet/FSE\\_DOCUMENTS/fseprd1082964.pdf](https://www.fs.usda.gov/internet/FSE_DOCUMENTS/fseprd1082964.pdf)) created no-surface occupancy in greater sage-grouse habitat on the Dakota Prairie Grasslands removing one of the primary threats; and

- The U.S. Fish and Wildlife Service determined in 2015 that protections under the Endangered Species Act were not needed for the species.

Therefore, the Forest Service is withdrawing the NOI.

#### SUPPLEMENTARY INFORMATION:

##### Background

On December 11, 2020, Commerce published in the **Federal Register** the antidumping duty (AD) order on FSF from Korea.<sup>1</sup> On December 1, 2023, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.<sup>2</sup> On February 8, 2024, based on a timely request for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the *Order*.<sup>3</sup> This review covers one producer/exporter of FSF, Samyoung Fitting Co., Ltd. (Samyoung). On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>4</sup> On August 8, 2024, Commerce extended the preliminary results of this administrative review until December 19, 2024.<sup>5</sup> Additionally, on December 9, 2024, Commerce tolled the deadline to issue the preliminary results in this administrative review by 90 days.<sup>6</sup> Accordingly, the deadline for these preliminary results is now March 18, 2025.

For a complete description of the events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.<sup>7</sup> The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS).

##### Scope of the Order

The merchandise covered by the scope of the *Order* is FSF from Korea. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

##### Methodology

Commerce is conducting this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Commerce calculated export price and constructed export price in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our preliminary results, see the Preliminary Decision Memorandum.

##### Preliminary Results of Review

We preliminarily determine that the following estimated weighted average dumping margin exists for the period December 1, 2022, through November 30, 2023:

Exporter/producer	Weighted-average dumping margin (percent)
Samyoung Fitting Co., Ltd .....	18.72

##### Disclosure and Public Comment

Commerce intends to disclose the calculations and analysis performed for these preliminary results to interested parties within five days of any public announcement or, if there is no public announcement, within five days after the date of publication of this notice in the **Federal Register** in accordance with 19 CFR 351.224(b).

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice.<sup>8</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the

date for filing case briefs.<sup>9</sup> Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>10</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>11</sup> Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>12</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.

##### Assessment Rates

Pursuant to 751(a)(2)(A) of the Act, upon issuance of the final results of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate

<sup>9</sup> See 19 CFR 351.309(d)(1); see also *Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings*, 88 FR 67069, 67077 (September 29, 2023) (*APO and Service Final Rule*).

<sup>10</sup> See CFR 19 351.309(c)(2) and (d)(2).

<sup>11</sup> We use the term "issue" here to describe an argument that Commerce would normally address in a comment of the Issues and Decision Memorandum.

<sup>12</sup> See *APO and Service Final Rule*.

<sup>8</sup> See 19 CFR 351.309.

entries covered by this review.<sup>13</sup> If a respondent's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, we intend to calculate an importer-specific *ad valorem* AD assessment rate based on the ratio of the total amount of dumping calculated for each importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).<sup>14</sup> If the weighted-average dumping margin or an importer-specific assessment rate is zero or *de minimis* in the final results of review, we intend to instruct CBP to liquidate entries without regard to antidumping duties.<sup>15</sup>

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Samyoung for which it did not know that the merchandise it sold was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate (17.08 percent) if there is no rate for the intermediate company(ies) involved in the transaction.<sup>16</sup>

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>17</sup>

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

### Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company listed

above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by a company not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, or a previous segment, but the producer is, then the cash deposit rate will be the rate established in the completed segment for the most recent period for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 17.08 percent, the all-others rate established in the LTFV investigation.<sup>18</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Final Results of Review

Unless otherwise extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case and rebuttal briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).<sup>19</sup>

### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

### Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, 19 CFR 351.213(h)(2), and 19 CFR 351.221(b)(4).

Dated: March 17, 2025.
