

terminating Coast Belle's current common carrier status with respect to the Lines. The verified notice states that SMVR, CBRL, and Coast Belle are completing agreement terms for the transaction.

This transaction is related to a concurrently filed verified notice of exemption in *OmniTRAX Holdings Combined, Inc.—Continuance in Control Exemption—Santa Maria Valley Railroad*, Docket No. FD 36845, in which OmniTRAX Holdings Combined, Inc., and HGS Railway Holdings, Inc., seek to continue in control of SMVR upon SMVR's becoming a Class III rail carrier.

SMVR certifies that it will not be contractually limited in its ability to interchange traffic with any third-party connecting carrier. SMVR further certifies that its projected annual revenues will not exceed \$5 million and will not result in SMVR's becoming a Class I or Class II rail carrier. Under 49 CFR 1150.32(b), a change in operator requires that notice be given to shippers. SMVR states that it has provided notice to all customers on the Lines.

The earliest this transaction may be consummated is April 12, 2025. SMVR states that it expects to consummate its acquisition of, and commence common carrier operations over, the Lines on or after that date.

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than April 4, 2025 (at least seven days before the exemption becomes effective).

All pleadings, referring to Docket No. FD 36846, must be filed with the Surface Transportation Board either via e-filing on the Board's website or in writing addressed to 395 E Street SW, Washington, DC 20423-0001. In addition, a copy of each pleading must be served on SMVR's representative, Robert A. Wimbish, Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 800, Chicago, IL 60606-3208.

According to SMVR, this action is categorically excluded from environmental review under 49 CFR 1105.6(c) and from historic preservation reporting requirements under 49 CFR 1105.8(b).

Board decisions and notices are available at www.stb.gov.
